

Spring meeting overview

11 - 13 April 2018
NCC, Nottingham

The BGS Spring meeting will cover the latest scientific research and the best clinical practice in care of older people. Our ageing population is stimulating extensive NHS service redesign to deal with the challenge of caring for larger numbers of older people both in and out of hospitals. This conference will cover core areas of interest to all specialists responsible for the health care of older people in the United Kingdom and internationally.

This meeting is organised in collaboration with the British Association of Stroke Physicians

This meeting has applied for 18 CPD accreditation (6 credits each day) from the Royal College of Physicians.

Who should attend

- Consultants and Professors of Geriatric Medicine and Stroke Medicine
- Specialist Doctors
- Specialist Registrars (StRs) in Geriatric Medicine, Stroke Medicine and related specialties
- Nurse Consultants, Nurse Specialists and Advanced Nurse Practitioners
- GPs, GPs wsi in older people and GP Trainees
- Physiotherapists, Occupational Therapists and Allied Health Professionals
- Researchers into ageing and age-related conditions
- Core Medical Trainees and Foundation Year Doctors
- Medical Students

Meeting aims

- Further attendees' overall knowledge and understanding of current research and practice in care of older people in core and difficult areas
- Improve attendees' skills in the treatment and care of older people
- Inspire attendees to achieve personnel excellence in care of older people
- Take away new activities and ideas to progress their workplace's services
