

(Brit) MODIS 24 Movement Disorders 2024

Five top tips for getting the most out of your meeting:

1. Record your attendance

Online: Attendance should be recorded by clicking “Sign in for CPD today” on the event platform each day you attend.

In person: Attendance should be recorded by scanning in at the registration desk using the QR code on your joining email or providing your name.

You will receive a CPD certificate for the days you have joined ‘live’ online only. Viewing the content post-event won’t be certified, but certificates are not required to claim CPD via the RCP diary.

2. Give feedback

Please take the time to fill out the feedback form after each session. It is mandatory for CPD but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

3. Visit our sponsors

Please review the symposia and spotlight sessions in this programme and consider watching. Challenge yourself to spend 5 minutes during the conference to speak to a sponsor.

4. Join the discussion

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too, so please use the ‘Ask’ function on the online platform or the microphone in the room. If you’re tweeting, tag us at [@GeriSoc](#) and use the hashtag [#BGSConf](#).

5. Get social

Chat with attendees, join a socialising event or interact in a group discussion.

15 March

Horizon, Leeds & Online (Hybrid meeting)

Hybrid meeting**START****Opening address**

09.15

Opening words from BGS Movement Disorders SIG chair

Advanced therapies**Moderator:** Dr Victoria Haunton9.30 -

British Geriatrics Society
Improving healthcare for older people

Join us

in improving healthcare
for older people

Who can join?

Anyone specialising in the healthcare of older people can join the BGS. We welcome all members of the multidisciplinary team at all stages in their career, from university to retirement.

This includes

Doctors • Nurses • Therapists • Pharmacists • General Practitioners • Researchers into ageing and age-related disorders • Allied Health Professionals • NHS managers

And more!

Join the BGS for FREE as a student!

BGS membership is free for medical students, student nurses and student therapists, as well as Foundation Year doctors and nurses/AHPs in their preceptorship year.

Simply visit www.bgs.org.uk/join to sign up - you will need to provide supporting documentation to confirm your student status during the membership application. Your membership will be active instantly while we review your information.

This means you can instantly start enjoying all the benefits of being a BGS member, including:

A programme of **accredited CPD events** delivering 25 external hours for less than £500

Discounts on fees for BGS events (saving up to £150 per event)

Access to **best practice guidance** on topics such as frailty and care homes

Networking with other specialists and experts in the care of older people

Digital **subscription** to our high impact factor scientific journal, *Age & Ageing*

...and much more!
