

British Geriatrics Society
Improving healthcare for older people

Joint BGS Northern Ireland and Royal College of Psychiatrists Faculty of Old Age Spring Meeting

6 March 2026 Lagan Valley Island and Online
(Hybrid meeting)

Five top tips for getting the most out of your meeting:

1. Record your attendance

In person: Attendance should be recorded by scanning in at the registration desk using the QR code on your joining email or providing your name. Each day you attend you will need to scan in.

Online: You will receive a CPD certificate for the days you have watch online. **Viewing the content post-event will be certified, and certificates are issued 3 days after your last viewing.**

2. Give feedback

Please take the time to fill out the feedback form after each day. It is mandatory for us to generate and issue a CPD certificate but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

3. Visit our sponsors

Please review the symposia in this programme and consider watching. Challenge yourself to spend 5 minutes during the day to speak to a sponsor.

4. Join the discussion

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too, so please use the 'Ask' function on the online platform or the microphone in the room. If you're posting on X (formerly Twitter), tag us at **@GeriSoc** and use the hashtag **#BGSconf**. You can also tag us on Facebook and LinkedIn

5. Get social

Chat with attendees, join a socialising point or interact in a group discussion.

With grateful thanks to our sponsors

Daiichi Sankyo, Idorsia Pharmaceuticals Ltd, Lilly

Our sponsors have provided a sponsorship grant towards this independent programme. They have had no editorial input into or control over the agenda, content development or choice of speakers, nor opportunity to influence. They

PROGRAMME
