

**British Geriatrics Society**  
Improving healthcare for older people

# britMODIS 2026

**27 March**

Wellcome Collection, London & Online  
(Hybrid meeting)

## Five top tips for getting the most out of your meeting:

### 1. Record your attendance

**In person:** Attendance should be recorded by scanning in at the registration desk using the QR code on your joining email or providing your name. Each day you attend you will need to scan in.

**Online:** You will receive a CPD certificate for the days you have watch online. **Viewing the content post-event will be certified, and certificates are issued 3 days after your last viewing.**

### 2. Give feedback

Please take the time to fill out the feedback form after each day. It is mandatory for us to generate and issue a CPD certificate but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

### 3. Visit our sponsors

Please review the symposia in this programme and consider watching. Challenge yourself to spend 5 minutes during the conference to speak to a sponsor.

### 4. Join the discussion

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too, so please use the 'Ask' function on the online platform or the microphone in the room. If you're posting on X (formerly Twitter), tag us at **@GeriSoc** and use the hashtag **#BGScnf**. You can also tag us on Facebook and LinkedIn

### 5. Get social

Chat with attendees, join a socialising event or interact in a group discussion.

## With grateful thanks to our sponsors

Our sponsors have provided a sponsorship grant towards this independent programme. They have had no editorial input into or control over the agenda, content development or choice of speakers, nor opportunity to influence. They have not had any input or influence as to the content of the programme.

# PROGRAMME

## overview and information

	Programme
8.30	<b>Registration and poster viewing</b> Meet the authors of the presented posters and ask them about their work
9.15	<b>Welcome</b>

**Dementia, Delirium and Brain Health****20 May 2026**IET Austin Court,  
Birmingham & Online**HYBRID - ATTEND IN PERSON OR ONLINE****[www.bgs.org.uk/26DDB](http://www.bgs.org.uk/26DDB)**

The 2026 britMODIS conference invites you to submit your research for presentation as platforms or poster presentations. This unmissable event expects to attract a broad multidisciplinary audience of over 400 participants providing a fantastic platform to showcase your work in a rapidly-evolving field.

The programme will address key issues in successful movement disorder treatment and supporting activities influenced by the 10 Year Health Plan in England. This has three shifts: **Hospital to community**, **Analogue to Digital** and **Treatment to Prevention**.

## 1. Prepare your submission

Abstracts will be accepted as platforms, for oral presentation, or posters for presentation on the BGS website and during breaks in the sessions during the day.

The submission must be made online

## 2. Submit online

The submitter should ideally be the lead author and presenter of the work.

Submit by the deadline which closes 5pm GMT 26 January 2026. Visit <https://www.bgs.org.uk/abstracts> to submit

The word count for abstracts is 370 words and abstracts need to be laid out under specific headings. These headings differ, depending on whether your study is categorised as scientific research or clinical quality

[Please also do review our language guide here.](#)

## 3. Results will be communicated in early February 2026

All accepted abstract presenters will need to register and pay the fees for the conference to present.
