Improving healthcare for older people

2026

Scotland Autumn Meeting

2 October

theStudio, Glasgow and Online meeting

Five top tips for getting the most out of your meeting:

1. Record your attendance

In person: Attendance should be recorded by scanning in at the registration desk using the QR code on your joining email or providing your name. Each day you attend you will need to scan in.

Online: You will receive a CPD certificate for the days you have watch online. **Viewing the content post-event will be certified, and certificates are issued 3 days after your last viewing.**

2. Give feedback

Please take the time to fill out the feedback form after each day. It is mandatory for us to generate and issue a CPD certificate but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

3. Visit our sponsors and browse our posters

Consider spending 5 minutes to speak to a sponsor. Take the time to browse and comment on our submitted posters on the digital screens.

4. Join the discussion

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too, so please use the 'Ask' function on the online platform or the microphone in the room.

5. Get social

Chat with attendees, join a socialising event or interact in a group discussion.

Tag us on our socials:

- **Facebook @BGS1947**
- **LinkedIn @British Geriatrics Society**

With grateful thanks to our sponsors

Stand sponsors: Idorsia

Our stand sponsors have had no editorial input into or control over the agenda, content development or choice of speakers, nor opportunity to influence. They have not had any input or influence as to the content of the programme.

Delirium

New elearning course out now

Free for BGS members
£150 for non members
10 CPD credits

This year's Scotland Autumn Meeting invites you to submit your research for presentation as platforms or poster presentations. This event expects to attract a broad multidisciplinary audience of participants providing a fantastic platform to showcase your work in a core area of healthcare for older people.

1. Prepare your submission

Abstracts will be accepted as platforms, for oral presentation, or posters for presentation on the BGS website and during breaks in the sessions during the day.

The submission must be made online

2. Submit online

The submitter should ideally be the lead author and presenter of the work.

Submit by the deadline which closes 5pm GMT 31 July 2026. Visit <https://www.bgs.org.uk/abstracts> to submit

The word count for abstracts is 370 words and abstracts need to be laid out under specific headings. These headings differ, depending on whether your study is categorised as scientific research or clinical quality

[Please also do review our language guide here.](#)

3. Results will be communicated in the week commencing 17 August 2026

All accepted abstract presenters will need to register and pay the fees for the conference to present.
