Term Details

P Stroke NOS

Term Id: YMJA2

Ready NUM

- Cerebrovascular accident
 - Cerebral infarction
 - Anterior cerebral circulation infarction
 - Total anterior cerebral circulation infarction
 - Partial anterior cerebral circulation infarction
 - Posterior cerebral circulation infarction
 - Brainstem infarction
 - Top of basilar syndrome
 - Claude syndrome
 - Weber syndrome
 - Millard-Gubler syndrome
 - Foville syndrome
 - Wallenberg syndrome
 - Benedict syndrome
 - Brainstem infarction NOS
 - Cerebellar infarction
 - Occipital cerebral infarction
 - Lacunar infarction
 - Pure sensory lacunar syndrome
 - Pure motor lacunar syndrome
 - Pure motor lacunar infarction
 - Pure sensory lacunar infarction
 - Pure sensorimotor lacunar infarction
 - Lacunar ataxic hemiparesis
 - Dysarthria-clumsy hand syndrome
 - Multiple lacunar infarcts
 - Multi-infarct state
 - Binswanger's disease
 - Vascular dementia
 - Vascular dementia of acute onset
 - Subcortical vascular dementia
 - Mixed cortical and subcortical vascular dementia
 - Multi-infarct dementia
 - Uncomplicated arteriosclerotic dementia
 - Arteriosclerotic dementia with delirium
 - Arteriosclerotic dementia with paranoia
 - Arteriosclerotic dementia with depression
 - Arteriosclerotic dementia NOS
 - [X]Other vascular dementia
 - [X]Vascular dementia, unspecified
 - Infarction of basal ganglia
 - Cerebral infarction due to thrombosis of cerebral arteries
 - Cerebral infarction due to embolism of cerebral arteries
 - Cereb infarct due cerebral venous thrombosis, non-pyogenic
 - [X]Cerebrl infarctn due/unspcl occlusn or sten/cerebrl artrts
 - [X]Other cerebral infarction
 - [X]Cereb infarct due unsp occlus/stenos precerebrl arteries
 - Infarction - precerebral
 - Cerebral infarct due to thrombosis of precerebral arteries
 - Cerebral infarction due to embolism of precerebral arteries
 - Cerebral infarction NOS
 - Left sided cerebral infarction
 - Right sided cerebral infarction
- Haemorrhagic cerebral infarction
 - Anterior cerebral circulation haemorrhagic infarction
 - Posterior cerebral circulation haemorrhagic infarction
- Cerebral parenchymal haemorrhage

- ☒ Multi-infarct state
 - ☒ Binswanger's disease
 - ☒ Vascular dementia
 - ☒ Vascular dementia of acute onset
 - ☒ Subcortical vascular dementia
 - ☒ Mixed cortical and subcortical vascular dementia
 - ☒ Multi-infarct dementia
 - ☐ Uncomplicated arteriosclerotic dementia
 - ☐ Arteriosclerotic dementia with delirium
 - ☐ Arteriosclerotic dementia with paranoia
 - ☐ Arteriosclerotic dementia with depression
 - ☐ Arteriosclerotic dementia NOS
 - ☐ [X]Other vascular dementia
 - ☐ [X]Vascular dementia, unspecified
