

Abstract ID	Title	Category	Result
93	<p>Assessment and prevention of venous thromboembolism in Orthogeriatrics inpatients</p>	CQ - Patient Safety	Poster
100	<p>The minimal clinically important difference of six-minute walk in Asian older adults</p>	SP - BMR (Bone, Muscle, Rheumatology)	Poster
101	<p>Improving documentation of DNAR decisions on the Acute Medical Take</p>	CQ - Patient Safety	Poster
103	<p>Integrating a Front Door Frailty Service in the Emergency Department: Results of a Pilot Study</p>	CQ - Clinical Effectiveness	Poster
104	<p>A qualitative study evaluating the uses, benefits and problems of teleconsultations in the pre-operative pathway for elective or</p>	CQ - Patient Centredness	Rejected
108	<p>Person-centred emergency care outcome measurement for older people living with frailty</p>	SP - Big Data	Poster
114	<p>Frailty Admission Avoidance in Primary Care</p>	CQ - Improved Access to Service	Rejected
115	Non pharmacological interventions in Heart Failure	CQ - Patient Centredness	Poster
118	?The Elderly LBGTQ* Population?	SP - Education / Training	Poster
119	A Descriptive Epidemiological Study of Clinical Trials, Comparing Trials Targeted at Older People to Adults of All Ages	SP - Epid (epidemiology)	Poster
120	Improving delirium recognition and management through in-situ simulation	CQ - Patient Centredness	Poster
121	Review of DNACPR decisions and treatment escalation plans at University Hospital Lewisham (UHL)	CQ - Clinical Effectiveness	Rejected
122	Audit on management of severe Hyponatremia in older patients admitted to Hull University Teaching Hospitals NHS Trust (HUTH)	CQ - Clinical Effectiveness	Rejected
124	<p>Improving Rates of Medication Prescription on Admission by the Clerking Doctor in Patients with Neck of Femur Fractures</p>	CQ - Patient Safety	Poster
125	<p>Reducing inappropriate readmissions from a community hospital - a quality improvement project.</p>	CQ - Patient Centredness	Poster
126	Continence Assessment in all patients admitted with fall in a Community Rehabilitation Hospital.	SP - Incont (Incontinence)	Rejected
127	Mediating factors between caregiver burden and quality of life in caregivers of older patients with newly diagnosed lung cancer	SP - Other (Other medical condition)	Poster
128	A medication self-management intervention to improve medication adherence for older people with multimorbidity: a pilot trial	SP - Pharm (Pharmacology)	Poster
129	Quality Improvement Project on completion of ReSPECT FORM in the community at JEAN BISHOP INTEGRATED CARE CENTRE (ICC): an impro	CQ - Clinical Effectiveness	Poster
130	Checklist for diagnosing post-operative delirium in vascular surgical patients	CQ - Patient Centredness	Rejected
132	?Reducing risk of falls and fractures in old age psychiatry patients: Are we checking vitamin D??	SP - Psych (Psychiatry & Mental Health)	Rejected
134	Post hemiarthroplasty radiograph check	CQ - Patient Safety	Rejected
135	Frailty and The Rate of Fractures in Patients Initiated on Antihypertensive Medication	SP - Falls (Falls, fracture & trauma)	Platform Presentation
136	Audit on management of severe hyponatremia in older people admitted to Hull University Teaching Hospitals NHS Trust (HUTH)	CQ - Clinical Effectiveness	Rejected
138	Perceived quality of end-of-life communication provided by healthcare professionals among frail older Chinese patients	SP - Education / Training	Poster
139	Caregiving burden and unmet support needs in Chinese caregivers and cancer patients	SP - Other (Other medical condition)	Platform Presentation
141	Does a dedicated Older Person?s Unit deliver on ?alive and at home at 6 months? compared to usual care?	CQ - Clinical Effectiveness	Rejected
143	<p>Improving clinical effectiveness at identifying patients requiring Advanced Care Plans</p>	CQ - Clinical Effectiveness	Poster
144	A case of mistaken identity: An obsolete anti-reflux device in an older patient with variable gastrointestinal symptoms	SP - Gastro (Gastroenterology)	Poster
145	A student pilot for a feasibility study of the theoretical 3S Trial (SPFT3S): GP and Ethics Committee Members questionnaire	SP - Cardio (Cardiovascular)	Poster
146	A student pilot for a feasibility study of the theoretical 3S Trial (SPFT3S): patient questionnaire and demographics	SP - Cardio (Cardiovascular)	Poster
148	Prevalence of Older People Presenting Acutely to a Regional Spine Unit	SP - HSR (Health Service Research)	Poster
149	COVID 19, A COMMUNITY HOSPITAL PERSPECTIVE	CQ - Clinical Effectiveness	Rejected
150	HOSPITAL AT HOME: AN EIGHT YEAR SERVICE IMPACT OF THE GWENT FRAILTY PROGRAMME	CQ - Clinical Effectiveness	Rejected
151	?POP-UP? SPECIALIST END OF LIFE WARD FOR COVID-19 - THE NOTTINGHAM EXPERIENCE	CQ - Improved Access to Service	Poster
152	Physical activity, muscle strength and quantity: preliminary findings from the MASS_Lifecourse cohort	SP - BMR (Bone, Muscle, Rheumatology)	Presidents Round
154	Improving Documentation of Bowel Movement on Geriatric wards	CQ - Patient Safety	Poster
155	Developing An Integrated Comprehensive Geriatric Unit	CQ - Clinical Effectiveness	Poster

156	Quantifying the prevalence of frailty in drug trials and the relationship with serious adverse events	SP - Epid (epidemiology)	Presidents Round
157	A Systematic Review of the Prevalence and Implications of Frailty in Diabetes Mellitus	SP - Diab (Diabetes)	Platform Presentation
158	DISCHARGE AFTER HIP FRACTURE SURGERY BY MOBILISATION TIMING: SECONDARY ANALYSIS OF THE UK NATIONAL HIP FRACTURE DATABASE	SP - Other (Other medical condition)	Presidents Round
159	?Comprehensive Geriatric Discharge Summaries? from a COVID-19 Field Hospital	CQ - Clinical Effectiveness	Rejected
160	CLINICAL FRAILTY SCORE AS PREDICTON TOOL IN COVID-19 OUTCOME	CQ - Clinical Effectiveness	Rejected
162	Physical function comparison of acutely unwell COVID-negative Older Adults pre-pandemic and through-pandemic; ?COVID-protected?-	CQ - Patient Centredness	Poster
163	Incidence of imaging confirmed stroke and thrombotic events in older adults with severe COVID-19 infection.	SP - Stroke (Stroke)	Poster
164	A Quality Improvement Project ? Physiotherapy caseload management on the Older Person?s Unit	CQ - Efficiency and Value for Money	Poster
165	Anticoagulation in older people: Audit on prescribing, communication and documentation	CQ - Patient Centredness	Rejected
167	The presenting features of COVID-19 in elderly patients	SP - Other (Other medical condition)	Poster
168	A Quality Improvement Project Aimed To Reduce The Number Of Patients On Bournville Ward Suffering With Constipation	CQ - Clinical Effectiveness	Poster
170	Readmissions to hospital following a decision to eat and drink with acknowledged risk with support from the FORWARD care bundle	SP - Other (Other medical condition)	Poster
171	Specialist Medication Review as part of the Comprehensive Geriatric Assessment in the Day Hospital Setting	CQ - Patient Safety	Poster
172	Departmental review of clinical characteristics of Covid19 presentation in an older hospitalized cohort.	SP - Other (Other medical condition)	Rejected
173	Denosumab induced severe hypocalcemia in chronic kidney disease (case report)	SP - BMR (Bone, Muscle, Rheumatology)	Rejected
174	Creutzfeldt-Jakob disease (CJD) as an important differential diagnosis for peri-ictal MRI abnormalities	SP - N & N (Neurology & Neuroscience)	Rejected
176	Advantages of The Comprehensive Geriatric Assessment on Patient Discharge Summaries	CQ - Clinical Effectiveness	Rejected
177	We tried this at home ? Safety Analysis and Outcome of Community Resource Services	CQ - Patient Safety	Poster
178	The potential therapeutic use of N-acetylcysteine and curcumin in primary care; a review of current evidence.	SP - Psych (Psychiatry & Mental Health)	Rejected
179	Effectiveness of telephone consultation in stroke outpatient clinics	CQ - Clinical Effectiveness	Rejected
180	Carbon footprint reduction through use of telephone consultations for stroke outpatients	CQ - Efficiency and Value for Money	Rejected
181	What are the barriers and facilitators to effective advance care planning (ACP) in residential care settings for older people?	CQ - Improved Access to Service	Poster
182	Lessons from the front line: Communication is key.	CQ - Patient Centredness	Poster
183	'Face time' for the first time: patients, families and junior doctors.	CQ - Patient Centredness	Poster
184	What influences loss of appetite in older people? A Qualitative Study.	SP - Other (Other medical condition)	Platform Presentation
186	Impact of Covid-19 on patients with femoral fractures	CQ - Patient Safety	Rejected
187	What is the risk of nosocomial Covid-19 on a green ward?	CQ - Patient Safety	Rejected
188	<p>Documentation of resuscitation status in patients admitted to the Acute Care Unit C in Cheltenham General Hospital</p>	CQ - Patient Centredness	Rejected
189	Influence of the COVID19 pandemic on Treatment Escalation Plan documentation at Ealing Hospital	CQ - Patient Centredness	Rejected
190	Improving Patient Discharge Summaries - A Quality Improvement Project in a Local District General Hospital	CQ - Patient Centredness	Poster
191	Pharmacological Interventions for Sialorrhoea in Parkinson?s Disease: A Systematic Review	SP - PD (Parkinson's Disease)	Platform Presentation
194	Improving functional outcomes during COVID-19 for both COVID-19 and non COVID-19 positive older adults through the introduction	CQ - Clinical Effectiveness	Poster
195	Barriers and facilitators of General Practice in the Care Home setting- a qualitative study to inform training of GPs.	SP - Education / Training	Poster
196	Assessment of bone health in the frail population presenting to hospital with falls	CQ - Clinical Effectiveness	Rejected
197	Social Contact Mode and 15-Year Episodic Memory Trajectories in Older Adults With and Without Hearing Loss: The ELSA Study	SP - Epid (epidemiology)	Presidents Round
201	Delirium is a presenting symptom of COVID-19 in frail, older adults: a study of hospitalised and community-based cohorts	SP - Other (Other medical condition)	Poster
202	Improvement of Bowel monitoring in the Acute Stroke Unit.	CQ - Patient Centredness	Poster
203	Improving Outcomes in Aspiration Pneumonia: a Collaborative Approach	CQ - Patient Safety	Poster
205	Improving Urine Specimen Collection in Elderly Medical Inpatients - A Quality Improvement Project	CQ - Clinical Effectiveness	Poster

206	Lipid targeting post-stroke - Targeting who?	SP - Stroke (Stroke)	Poster
208	Non-pharmacological Treatment of Bone Health in Fallers	SP - Falls (Falls, fracture & trauma)	Poster
209	Escalation Decisions during the COVID-19 Pandemic amongst older adults	CQ - Patient Centredness	Rejected
210	Conversations on living and dying: facilitating advance care planning for older people living with frailty. A qualitative study.	SP - Education / Training	Platform Presentation
211	Direct acting anticoagulants and fragility hip fractures	CQ - Patient Safety	Rejected
212	COVID 19 mortality in elderly- What do we know?	SP - Other (Other medical condition)	Rejected
214	Recognition of delirium at the front door ? An observational study	CQ - Clinical Effectiveness	Rejected
217	Sarcopenia detection using a handheld Dynamometer in fracture Neck of Femur patients presenting to a District General Hospital	CQ - Clinical Effectiveness	Rejected
219	The association between increasing frailty and greater co-morbidity and surviving cardio pulmonary resuscitation	SP - Cardio (Cardiovascular)	Poster
221	Prevalence and socio-demographic factors of SARS-COV-2 antibody in multi-ethnic healthcare workers	SP - HSR (Health Service Research)	Platform Presentation
223	Reducing risk from Warfarin- a completed audit cycle on NICE compliance with Warfarin for NVAf in older people	CQ - Clinical Effectiveness	Rejected
224	Optimising bone health on Sheffield frailty unit through quality improvement.	CQ - Clinical Effectiveness	Poster
225	The relationship between 25(OH) Vitamin D and Bone mineral density (BMD) in patients 65 years and older with prior fragility fra	SP - BMR (Bone, Muscle, Rheumatology)	Poster
226	Integrated falls prevention pathways; the benefits of organisational collaboration	CQ - Efficiency and Value for Money	Platform Presentation
227	Age and the extent of chest radiographic findings in hospitalized patients with COVID 19	SP - Resp (Respiratory)	Poster
228	Comparison of six frailty screening tools in patients aged 65+ with an arm fragility fracture	SP - Falls (Falls, fracture & trauma)	Platform Presentation
229	The feasibility of assessing sarcopenia among older people with arm fracture using different criteria	SP - Falls (Falls, fracture & trauma)	Poster
230	Feasibility of resistance exercise to failure at different loads in frail and healthy older adults?	SP - BMR (Bone, Muscle, Rheumatology)	Presidents Round
231	Establishing a Community Frailty Unit During the Covid19 Pandemic	CQ - Clinical Effectiveness	Poster
232	Qualitative study of healthcare professionals knowledge surrounding delirium on Delirium Day 2020	SP - Education / Training	Rejected
234	The provision of exercise groups post hip fracture and the willingness of patients to pay for additional resources	CQ - Efficiency and Value for Money	Rejected
235	A DANGEROUS CONSTIPATION	SP - Other (Other medical condition)	Rejected
238	Potentially inappropriate cardiovascular medications in Czech older adults in acute care: InoMed and EUROAGEISM H2020 project	SP - Epid (epidemiology)	Poster
239	Anticipatory Care Planning during the COVID-19 pandemic	CQ - Patient Centredness	Rejected
240	Prevalence and patterns of drug-disease interactions in long-term residents in nursing home facilities in the Czech Republic	SP - Epid (epidemiology)	Poster
241	Factors influencing mealtime care for people with dementia living in care homes: An ethnographic study	SP - HSR (Health Service Research)	Presidents Round
242	Management of Atrial Fibrillation in patients with Cerebral Amyloid Angiopathy: Multidisciplinary Neuro-cardiology approach	SP - Cardio (Cardiovascular)	Poster
243	Dementia, ApoE and COVID-19 severity	SP - Big Data	Presidents Round
244	Realist Review of General Practitioners? Role in Advancing Practice in Care Homes (GRAPE study)	SP - HSR (Health Service Research)	Platform Presentation
245	Antibiotic Omissions: A missed dose means a missed chance to save a life! Is E-Prescribing the answer?	CQ - Patient Safety	Poster
246	Selected aspect of the rationality of use of diuretics in ambulatory care seniors: outputs of the INOMED and EUROAGEISM H2020 project	CQ - Patient Safety	Rejected
247	Implementing Frailty Assessment at a District General Hospital	SP - HSR (Health Service Research)	Rejected
249	Developing an Onco-Geriatric Service for South West Wales Cancer Centre	SP - HSR (Health Service Research)	Rejected
252	Communication between doctors and relatives during COVID-19 and beyond	CQ - Patient Centredness	Rejected
253	Get it right first time: Should older frail patients be admitted directly to a Care of Elderly ward rather than via an Acute m	CQ - Clinical Effectiveness	Rejected
255	The Effect of Frailty and COVID-19 Infection on Clinical Outcomes in Older Adults ? A Single Centre Retrospective Study	SP - Other (Other medical condition)	Poster
256	The experiences of treatment burden among people with Parkinson's disease and their caregivers: A systematic review	SP - PD (Parkinson's Disease)	Presidents Round
257	The Role of Advanced Physiotherapy Practitioners in Falls Clinic	CQ - Improved Access to Service	Rejected
259	Does the weather contribute to admissions of neck of femur fractures?	SP - BMR (Bone, Muscle, Rheumatology)	Poster

261	Diagnostic Test Accuracy of the 4AT for Delirium Detection: Systematic Review and Meta-Analysis	SP - Psych (Psychiatry & Mental Health)	Presidents Round
262	A case report for Primary Hyperparathyroidism in the elderly patient with complex issues	SP - Other (Other medical condition)	Rejected
263	The effect of implementing a Proactive care of Older People undergoing Surgery (?POPS?) team on patient outcomes	CQ - Clinical Effectiveness	Rejected
264	Improving Pain Assessment and Management for Patients with Cognitive Impairment on the Care of the Older Person (COOP) Wards.	CQ - Clinical Effectiveness	Poster
265	Socio-demographic and medical factors in a multi-ethnic cohort of COVID deaths	SP - Other (Other medical condition)	Poster
266	Managing Heart Failure in Older Adults: Process Evaluation	CQ - Clinical Effectiveness	Rejected
267	Nutritional Screening MUST be a Multidisciplinary Assessment	CQ - Clinical Effectiveness	Rejected
268	Evaluating the use of visual aids on a care of the older adult ward	CQ - Patient Centredness	Rejected
269	MRS BAD BONES: Impact of COVID-19 on Secondary Prevention of Fragility Fractures	SP - BMR (Bone, Muscle, Rheumatology)	Poster
270	Impact of multifactorial delirium on management and discharge planning in a patient with intracerebral haemorrhage	SP - Stroke (Stroke)	Rejected
271	Age and frailty predict mortality in elderly patients with COVID-19	CQ - Clinical Effectiveness	Rejected
272	Clinical frailty scoring is crucial for the COVID-19 era and beyond	CQ - Clinical Effectiveness	Poster
273	Does BMI weight and height correlate with a 10 year absolute probability of sustaining a Hip fracture ?	CQ - Clinical Effectiveness	Rejected
274	<p>A quality improvement project on oxygen administration within the geriatrics COVID-19 cohort ward</p>	CQ - Patient Safety	Poster
275	Does spinal bone mineral density predict an absolute 10 year probability of sustaining a major osteoporotic frac	CQ - Clinical Effectiveness	Poster
277	The Comprehensive Frailty Assessment at Forth Valley Royal Hospital (FVRH) DIGITALISED: for COVID-19 and beyond!	CQ - Improved Access to Service	Poster
278	Lack of Evidence for Reduced Efficacy of Medical Therapy for Heart Failure in Older Adults	SP - Cardio (Cardiovascular)	Poster
280	A retrospective case-note analysis investigating the management of diagnosed delirium in Medicine of the Elderly patients	CQ - Clinical Effectiveness	Rejected
281	Informant-reported decline associates with silent acute stroke lesions and worse small vessel disease in mild stroke patients	SP - Stroke (Stroke)	Presidents Round
282	Evaluation of a new pharmacy service in intermediate care: improving patient safety	CQ - Patient Safety	Rejected
283	A novel experimental study of using ultrasound to assess bone fragility	SP - Falls (Falls, fracture & trauma)	Poster
284	The influence of COVID-19 on ceiling of care discussions in hospitalised older adults	CQ - Patient Centredness	Rejected
285	Impact of Covid19 Restrictions on Older Patients Attending an Outpatient Service	CQ - Patient Centredness	Poster
286	Quantifying the Burden of Coexisting Acute Medical Problems in Patients with a Hip Fracture in the Emergency Department	CQ - Improved Access to Service	Rejected
287	Standardising peri-operative pain management for hip fracture patients over the age of 65 years	CQ - Patient Centredness	Rejected
288	Improving Documentation of Direct Oral Anticoagulant Prescribing in Stroke Patients	SP - Pharm (Pharmacology)	Rejected
290	Capacity Assessment - A Crisis of Confidence? A Survey of Junior Doctors	CQ - Patient Centredness	Rejected
291	Prescribing of hypnotosedatives in seniors in ambulatory care in the Czech Republic: INOMED and EUROAGEISM project findings	SP - Epid (epidemiology)	Poster
292	Rationality of hypnotosedative use in seniors in acute care: outputs of the INOMED and EUROAGEISM projects	SP - Epid (epidemiology)	Poster
293	Heritability of Temperature and the Effects of Ageing on Temperature Regulation:An Observational Multi-Cohort Study	SP - Other (Other medical condition)	Poster
294	Implementation of the 4AT Delirium Detection Tool in Clinical Practice: Data from 69,462 Acute Medical Admissions in Two Hospita	CQ - Clinical Effectiveness	Rejected
295	Frailty Hot Clinics: Rapid CGA and speciality diagnostics reduces rates of hospitalisation and re-attendance	CQ - Improved Access to Service	Poster
296	Avoiding burnout of the care home workforce during the COVID-19 pandemic and beyond: sharing national learning and local initiat	SP - Other (Other medical condition)	Poster
297	?Online? Supportive Conversations and Reflective Sessions(OSCaRS) in care homes during the COVID-19 pandemic.	SP - Other (Other medical condition)	Poster
298	Periodontal Health and Sarcopenia: cross-sectional evidence from a cohort of 2040 twin volunteers	SP - EET (Eyes, Ear, Teeth)	Poster
299	Assessing for Delirium in a District General Emergency Department - Why Are We Failing and How Can We Improve?	CQ - Patient Safety	Poster
300	Quality Improvement Project (QIP): A teamwork approach to optimise fluid intake in older inpatients#ButFirstADrink	CQ - Efficiency and Value for Money	Poster
301	Being non-frail and free from cardiovascular disease reduces COVID-19 risk in 269,164 older UK Biobank participants	SP - Big Data	Platform Presentation
302	Quality Improvement Project (QIP): A teamwork approach to optimise fluid intake in older inpatients#ButFirstADrink	CQ - Efficiency and Value for Money	Platform Presentation

306	Collateral history taking in older patients during the COVID pandemic: A questionnaire survey of junior doctors	SP - Education / Training	Rejected
307	Ambulatory management of severe anaemia in older adults ? a retrospective service evaluation.	CQ - Clinical Effectiveness	Rejected
309	Beyond the bleep: exploring alternate methods of communication in the multidisciplinary team to facilitate efficient discharge	CQ - Efficiency and Value for Money	Poster
310	Experience of Managing Parkinson's disease patients through Video consultation during COVID19 pandemic	CQ - Improved Access to Service	Rejected
311	A Survey of Non ? Consultant Hospital Doctors compliance, assessment and documentation of delirium in Ireland.	CQ - Clinical Effectiveness	Rejected
314	A tale of three syncope risk scores ? who predicts outcomes best?	SP - Cardio (Cardiovascular)	Poster
315	A Whole Hospital Delirium Audit with 20 Week Follow-up	SP - Psych (Psychiatry & Mental Health)	Poster
316	Improving frailty screening and accuracy in the Emergency Department (ED) of a busy District General Hospital	CQ - Clinical Effectiveness	Poster
317	A multidisciplinary team initiative to end PJ paralysis was successful in achieving cultural change on an acute geriatric ward	CQ - Patient Centredness	Poster
319	Improving escalation and treatment plans in the Borders General Hospital (BGH) during COVID-19	CQ - Clinical Effectiveness	Poster
320	Assessing documentation of Goals of Care - a retrospective audit of DNACPR forms in an acute medical hospital.	CQ - Patient Centredness	Rejected
321	A single centre study on the thirty-day hospital reattendance and readmission of older patients during the SARS-CoV-2 pandemic	CQ - Clinical Effectiveness	Poster
325	Covid-19: learning from a communication crisis	CQ - Patient Centredness	Rejected
326	TRIPPER: Trying to Reduce Inappropriate Prescribing in Patients who are Elderly and at Risk of falls	CQ - Patient Safety	Poster
328	Clinical course and characteristics of Nursing home residents admitted via COVID-19 assessment unit	CQ - Patient Safety	Rejected
332	Outcomes and Clinical Characteristics of COVID-19 Infection in the Elderly Population of Tayside.	SP - Epid (epidemiology)	Poster
334	Clinical Presentation of COVID-19 in Older People	SP - Other (Other medical condition)	Poster
335	Admissions to Hospital from Local Nursing Homes During COVID-19 Pandemic	CQ - Patient Centredness	Rejected
336	Improving intravenous fluid therapy to reduce the incidence of acute kidney injury in elderly hip fracture patients	CQ - Patient Safety	Poster
338	Tackling noise pollution in hospitals: A pre-feasibility study	SP - HSR (Health Service Research)	Poster
339	Multi-disciplinary simulation training on delirium	CQ - Patient Centredness	Poster
340	A QIP, conducted during Covid-19, aimed at improving communication with patients' families and carers.	CQ - Clinical Effectiveness	Rejected
341	Acute Kidney Injury in Older Patients with COVID-19	CQ - Patient Centredness	Rejected
342	Atypical Presentations Of COVID-19 In a Frail Population	CQ - Patient Centredness	Rejected
343	Lymphopaenia In An Elderly Cohort Of Patients With COVID-19	SP - Resp (Respiratory)	Poster
344	Outcomes in a Frail Population with COVID-19 in a Secondary Care Setting	SP - Resp (Respiratory)	Poster
345	Parenteral Treatments in our Acute Care at Home Team and how we responded to the COVID-19 Pandemic	CQ - Improved Access to Service	Rejected
346	The Impact of Lost Dentures	CQ - Patient Centredness	Rejected
347	Impact of Covid 19 Pandemic on hospital care for people with dementia ? feedback from hospital leads and carers	CQ - Patient Centredness	Poster
348	Evolution of a Care Home Multidisciplinary Team Meeting	CQ - Improved Access to Service	Rejected
349	Hospital @Home and the AMBER care bundle: introducing the concept of uncertainty of survival to improve advance care planning	CQ - Improved Access to Service	Poster
355	<p>RELATIONSHIP BETWEEN DEPRESSION AND NUTRITIONAL STATUS AMONG THE ELDERLY ATTENDING SELECTED PRIMARY HEALTHCARE CENTERS	SP - Psych (Psychiatry & Mental Health)	Poster
377	<p>COVID-19 and associations with frailty and multimorbidity: a prospective analysis of UK Biobank participants</p>	SP - Epid (epidemiology)	Poster
406	<p>Improving the Delivery of Written Communication to Patients Presenting to the Frailty Assessment Service Following a Fall</p>	CQ - Patient Centredness	Poster
