

The Growing Older with Learning Disabilities Conference 2026

# Connected Care

Good health and growing older  
across health and social care

Join us online at the GOLD Conference 2026 as we explore good health for people with learning disabilities, and how health and social care can work together to achieve it.

25 February 2026  
Online  
Book now!

Alongside ageing and later life, we'll discuss the role of neighbourhood and locality-based initiatives in promoting inclusion, connection, and health within communities.

Join us to exchange ideas, build partnerships, and advance a shared vision of better health for people with learning disabilities throughout their lifespan.
